STAT

SUBJECT: Background for Scheduled 7 May 1986  
Meeting with DOD General Counsel

REF: Proposed Amendments to FOIA

1. As I advised Monday afternoon, Mr. Garrett, DOD General Counsel has called for a meeting on Wednesday, 7 May, with senior officials of the Department of Justice to discuss the DOJ proposed amendments to the FOIA. The meeting will be in his office (3E-988, Pentagon) at 4:00 p.m. He has invited you as well as the General Counsels from NSA, State, Treasury, Transportation, FDA, HHS and perhaps a few others.

2. Attached at Tab A is a copy of the proposed legislation, at Tab B is a working draft of a proposed CIA letter, and at Tab C are copies of earlier correspondence from other agencies on this matter. At Tab C you should note particularly the first two documents -- a memorandum from NSA and the letter which Mr. Garrett has previously sent.

3. If you have time before the meeting I would be glad to brief you on all the developments to date -- including the meeting last week at DOJ. I can be reached
